

# **NUEVA VIZCAYA PARAGLIDING CAMPING RULES**

Nueva Vizcaya is still under GCQ. Please observe number of guests, curfews and health protocols

## **1. EVERYTHING IS SELF-SERVICE**

- The camping ground is an office space shared to the public. We do not have employees or a service crew to serve you. We will make every effort to assist you during your stay but be advised that we are all pilots and voluntary staff focused on flight operations only. The crew will be tired at the end of the day and can't take care of your needs.
- You will need to set up and carry your own stuff. We don't have a porter service.

## **2. BRING YOUR OWN STUFF**

- We only provide the camping grounds. Please bring your own everything – lights, headlamps, firewood, rain cover, sun shade and survival kits.

## **3. BRING YOUR OWN TENT OR RENT FROM OUR LOCAL PILOTS**

- We recommend you bring your own tent. Bring a waterproof one for rainy nights.
- You can also rent from one of our local pilots. Costs are on the pricelist.
- Please set up your own or rented tents.

## **4. BRING YOUR OWN FOOD**

- At the moment we only serve barako coffee, chips and bottled drinks. We have no meals served at the cabin. Please bring your own food, eating utensils and cooking stuff

## **5. NOISE CURFEW: QUIET TIME IS FROM 10PM TO 6AM**

- The Paragliding LogCabin is a pilot headquarters. For safety reasons, we all need proper sleep to function well during flights.
- Also, the neighborhood is sensitive to noise especially during sleeping hours. Please respect the local community's sleeping time.
- Important: **NOISY CAMPERS WILL BE SENT HOME IMMEDIATELY.** Once the nearby PNP station gives notice, a fine of P1,000 per camper will be collected.

## **6. NO HEAVY DRINKING ALLOWED**

- To keep the peace and order of our spaces, no heavy alcohol drinking sessions are allowed.
- Groups that will start any loud conversations, fights or disturbance in the area will be sent home and banned from the camping grounds.
